## 2021-2024 TIP Amendment: Bus and Rail Preventive Maintenance – 40-1204-64

May 2021

# Contents

- Background
- Apportionment
- Schedule
- Benefit

# Background

- **This 5339(b) funding will be used the fund the below:**
  1. Harford County: To replace diesel buses with Compressed Natural Gas Buses
  2. Howard County: to purchase replacement transit vehicles and implement an automated bus stop announcement system in Howard County
  3. Carroll County: Replace older vehicles in Carroll County

# Apportionment

- This amendment adds a total of \$4.795M to the FY 2021-2024 TIP of Section 5339 (b) Bus and Bus Facilities discretionary funds to the 2021-2024 TIP.
- The federal grant will be matched with \$808K from MDOT MTA for a total investment of \$5.603M.

# Anticipated Schedule

- TBD on the local LOTS, MTA has not been provided a schedule yet.
- However, all of the projects must be complete by 8/31/2022 according to the bus contract.

# Benefit

- **MDOT MTA will use this funding to help improve the safety and reliability of transit bus service nationwide as the economy returns.**
- **This funding is also necessary to maintain a state of good repair.**

## 2021-2024 TIP Amendment: Martin's Yard Power Switch (Resolution #21-29)

May 2021

# Contents

- Background
- Apportionment
- Schedule
- Benefit

# Background

- This project will replace and upgrade an old, manually-thrown switch on the NEC mainline with an automated control switch that can be integrated into Amtrak's remote operation system.

# Apportionment

- MDOT MTA was awarded 3.1M of Consolidated Rail Infrastructure and Safety Improvement (CRISI) Discretionary Grant funding.
- The federal grant will be matched with \$3.1M from MDOT MTA for a total investment of \$6.2M.

# Anticipated Schedule

- We do not have a schedule currently; it is dependent on Amtrak.
- This project was not included in their original program so additional time is needed for a timeline.

# Benefit

- The switch replacement will improve crew safety, improve reliability, and support increased train movements in and out of Martin's Yard as a result of an expanded Martin's Yard facility.

## 2021-2024 TIP Amendment: Martin's Storage yard (Resolution #21-30)

May 2021

# Contents

- Background
- Apportionment
- Schedule
- Benefit

# Background

- This funding will be used to construct two additional storage tracks at Martin's Yard to absorb displaced train sets from Penn Station in Baltimore.
- Two MARC trains currently stored at Penn Station will permanently move to being stored on the two new storage tracks at Martins.

# Apportionment

- MDOT MTA was awarded 9.4M of Consolidated Rail Infrastructure and Safety Improvement (CRISI) Discretionary Grant funding.
- The federal grant will be matched with \$3.6M from MDOT MTA for a total investment of \$13M.

# Anticipated Schedule

- We are still waiting on Amtrak to provide a schedule.
- The facility itself should be usable for train sets powered by diesel locomotives by the end of 2023
- This date is subject to change depending upon the timing of pre-award authorization from FRA and the procurement process.

# Benefit

- This project will result in reduced storage and layover operating fees, increase the flexibility and fluidity of revenue rail service through Penn Station.
