RCPGP Overview

The RCPGP was developed by FEMA to achieve National Preparedness. The Baltimore UASI is one of 10 regions across the country to win this award.

FY19- Food & Water: FY19-FY22 This award was won to enhance/develop our capabilities to provide food and water to the community following a disaster.

FY20- Emergency Housing: FY20-FY23 This award was won to enhance/develop our capabilities to provide short term housing and long-term housing for individuals, families, and those with access and functional needs.
