

# A RESOURCE FOR TRUCK PARKING SOLUTIONS!

NICOLE J. KATSIKIDES, PH.D., TEXAS A&M TRANSPORTATION INSTITUTE  
FOR

MARYLAND DEPARTMENT OF TRANSPORTATION STATE HIGHWAY ADMINISTRATION

# WHY TRUCK PARKING?

- Truckers need rest, rest is mandated.
- Not enough truck parking throughout the U.S., Maryland/I-95 is a hot spot.
- Trucks brought it!
- County, State, and National economic development depends on it.
- When trucks can't park, it is a major safety issue.
- When trucks can't park, it impacts:
  - Business bottom line
  - Jobs

# THE LOCAL PLIGHT

- Constituents do not want truck parking, do not understand the need.
- Lack of truck parking sometimes means trucks are parked in places constituents do not like (residential areas).
- Economic and institutional growth means more trucks.
  - More trucks means more issues with parking.
  - Trucks need delivery accommodations.
- Changes in land use types and trends (e.g. densification, multi-use) create spaces that need to be served by many trucks.
- Increases in delivery, e-commerce create increased need for delivery parking/stopping.

# RESOURCES AVAILABLE

- MDOT's Statewide Truck Parking Study
- Truck Parking Data Application
- Truck Parking Portal
- Emergency Truck Parking Options – for operational/law enforcement awareness
- Property availability information

# TRUCK PARKING PORTAL

## Maryland Emergency Truck Parking Locations

During 6+ inch snow storms, tractor trailer drivers may use several commuter park and ride lots for safe haven to ride out the storm instead of parking on ramps and roadsides. This initiative provides an alternative for truckers traveling during heavy storms. **Green Parking symbols represent Regular Truck Parking** and the **Blue Parking symbols represent Emergency Truck Parking** at park and rides lots for potential parking during storms.
