

# *Resilience 2050*

Adapting to the Challenges of Tomorrow

---

**L RTP Feedback**

***Resilience 2050: Adapting to the Challenges of Tomorrow***

September 5, 2023

# ***Resilience 2050 Feedback***

- Time to begin planning for the next LRTP!
- We'd like your feedback on:
  - Planning Process for Resilience 2050
  - Content in Resilience 2050
  - Gaps or Recommended Improvements to process and content for next LRTP

# ***Resilience 2050 Feedback***

- Brand/Logo/Document Template
- Goals and Strategies
- White Papers
- Socioeconomic Forecasting
- Review and Approval of Financial Plan
- Project Submittal form and Project Scoring methodology
- Analysis of Draft Preferred Alternative (conformity; travel demand modeling; Environmental Justice analysis; environmental mitigation)
- Public involvement materials and meetings
- Document content and presentation

# *Thanks!*
